

Welcome

It is my pleasure to welcome you to the Gin Gin State School website. The present enrolment is approximately 350 students allowing us to provide a supportive small school environment in which students can learn and thrive. This steady increase in our enrolment is indicative of the strong satisfaction in the community with the programs offered by the school.

We hope you find this information useful and enjoy sharing with us our achievements. The site will inform you about our happenings and events.

The students, staff and parents of Gin Gin State School are very proud of a school which continues to grow and look for continual improvement. We are a community working together ‘To Be The Best That we Can Be’. This creed first promotes the value we place within the community of supporting each other in our aim to achieve the best outcomes for our students, Secondly, we encourage every student to be the best that they can be in all that they do. Gin Gin State School is committed to providing every child with a balanced education in a supportive environment. Our goal is to maximize the educational outcomes for every student through providing a range of curricular and extra curricular activities. We have staff who are committed to achieving this goal for each student. Our vision is to promote learning in students that will create lifelong learners.

We value open and effective communication, thus always maintain and ‘Open door Policy’. Literacy and numeracy remain core business and we consistently achieve sound academic results in state wide tests.

We hope your association with our school will be a very positive one and that you will celebrate with us the many joys and achievements of our students and staff. Working together we can achieve wonderful outcomes for our students. Please feel free to contact the school at anytime you have positive comments, questions or concerns.

Yours in Education
